### Here One Moment

Liane Moriarty

Aside from a delay, there will be no problems. The flight will be smooth, it will land safely. Everyone who gets on the plane will get off. But almost all of them will be forever changed.

Because on this ordinary domestic flight, something extraordinary happens. People learn how and when they are going to die. How do they know? There were ostensibly more interesting people on the flight (the bride and groom, the possibly famous woman, the giant Hemsworth-esque guy who looks like a superhero, the frazzled, gorgeous flight attendant) but none would become as famous as 'The Death Lady'.

Not a single passenger or crew member will later recall noticing her board the plane. But what she did on that flight was truly remarkable.

A few months later, one passenger dies exactly as she predicted. Then two more passengers die, again, as she said they would. Soon no one is thinking this is simply an entertaining story at a cocktail party.

If you were told you only had a certain amount of time left to live, would you do things differently? Would you try to dodge your destiny?

**By Any Other Name**

Jodi Picoult

In 1581, Emilia Bassano – like most young women of her day – is allowed no voice of her own. But as the Lord Chamberlain's mistress, she has access to all theatre in England, and finds a way to bring her work to the stage secretly. And yet, creating some of the world's greatest dramatic masterpieces comes at great cost – by paying a man for the use of his name, she will write her own out of history.

In the present, playwright Melina Green has just written a new work inspired by the life of her Elizabethan ancestor Emilia Bassano. Although the challenges are different 400 years later, the playing field is still not level for women in theatre. Would Melina – like Emilia – be willing to forfeit her credit as author, just for a chance to see her work performed?

Told in intertwining narratives, this sweeping tale of ambition, courage and desire asks what price each woman is willing to pay to see their work live on – even if it means they will be forgotten.

### Passions in Death

In Death Novel #59  
J.D. Robb

On a hot August night, Lt. Eve Dallas and her husband, Roarke, speed through the streets of Manhattan to the Down and Dirty club, where a joyful, boisterous pre-wedding girls' night out has turned into a murder scene. One of the brides lies in a pool of blood, garroted in a private room where she was preparing a surprise for her fiancée – two scripped and saved-for tickets to Hawaii.

Despite the dozens of people present, useful witnesses are hard to come by. It all brings back some bad memories for Eve who once suffered an assault in the very same room – but she'd been able to fight back and survive. She'd gotten justice. And now she needs to provide some for poor young Erin.

Eve knows that the level of violence and the apparent premeditation involved suggest a volatile mix of hidden, heated passion and ice-cold calculation. This is a crime that can be countered only by hard detective work and relentless dedication – and Eve will not stop until she finds the killer who destroyed this couple's dreams before the honeymoon even began ...

Broussard and Fourcade #3  
Tami Hoag

A murder victim dumped at the dead end of a lonely country road, face and hands obliterated by a shotgun blast, is not the way sheriff's detective Nick Fourcade wants to start his week. His only lead takes him to the family of a hometown hero suddenly gone missing. Marc Mercier left his home for a weekend hunting trip and hasn't been seen since.

Meanwhile, sheriff's detective Annie Broussard begins her first day back on the job after suffering a brutal attack by taking on the case of B'Lynn Fontenot, a mother desperate to find her grown son, a recovering drug addict. Robbie Fontenot has been missing for eight days, but the local police have no interest in the case.

As Annie searches for Robbie Fontenot and Nick investigates the disappearance of Marc Mercier, it quickly becomes apparent that nothing is as it seems in the lives of either man. And it's still not clear whether either – or neither – of them might be the unidentified murder victim.

**Counting Miracles**

Nicholas Sparks

Tanner Hughes was raised by his grandparents, following in his grandfather's military footsteps to become an Army Ranger. His whole life has been spent abroad, and he is the proverbial rolling stone – happiest when off on his next adventure, zero desire to settle down. But when his grandmother passes away, her last words to him are: find where you belong. She also drops a bombshell, telling him the name of the father he never knew – and where to find him.

Tanner is due at his next posting soon, but his curiosity is piqued, and he sets out for Asheboro, North Carolina, to ask around. He's been in town less than 24 hours when he meets Kaitlyn Cooper, a doctor and single mum. They both feel an immediate connection.

Meanwhile, nearby, 83-year-old Jasper lives alone in a cabin bordering a national forest. With only his old dog for company, he lives quietly, haunted by a tragic accident that took place decades before.

As these characters' fates orbit closer together, none of them is expecting a miracle ... but that may be exactly what is about to alter their futures forever.

**Holly**  
Holly Gibney #3  
Stephen King

"Stephen King's *Holly* marks the triumphant return of beloved King character Holly Gibney. Readers have witnessed Holly's gradual transformation from a shy (but also brave and ethical) recluse in *Mr. Mercedes* to Bill Hodges's partner in *Finders Keepers* to a full-fledged, smart, and occasionally tough private detective in *The Outsider*. In King's new novel, Holly is on her own, and up against a pair of unimaginably depraved and brilliantly disguised adversaries.

When Penny Dahl calls the Finders Keepers detective agency hoping for help locating her missing daughter, Holly is reluctant to accept the case. Her partner, Pete, has COVID. Her (very complicated) mother has just died. And Holly is meant to be on leave. But something in Penny Dahl's desperate voice makes it impossible for Holly to turn her down.

Mere blocks from where Bonnie Dahl disappeared live Professors Rodney and Emily Harris. They are the picture of bourgeois respectability – married octogenarians, devoted to each other, and semi-retired lifelong academics. But they are harbouring an unholy secret in the basement of their well-kept, book-lined home, one that may be related to Bonnie's disappearance.

When a travelling show of impressionist art comes to Nags Head, North Carolina, librarian Lucy and the staff at the Bodie Island Lighthouse Library are inspired to create an educational display about art history. Their launch of the display is a huge success, but the morning after, they discover that a reproduction of a famous painting has gone missing.

No one knows why anyone would bother stealing it – the picture is of no value – the real, priceless painting is under lock and key at the art show itself. Lucy gets an invite to the glitzy opening night for the real show, where she notices unusual tension among the show's organisers. Then, the man scheduled to give the welcoming speech fails to arrive, and a party-goer is discovered drowned in a fish pond.

Meanwhile, Louise Jane is totally captivated by Tom Reilly, a handsome, charming art dealer lurking at the edges of the receptions on both nights. Tom slipped away from the party early, and he cannot be located by the police. Who, Lucy asks, is Tom Reilly, the shadowy figure threatening to break Louise Jane's heart?

## Kingmaker

Pamela Churchill Harriman's Astonishing Life of Seduction, Intrigue and Power

**Sonia Purnell**

When Pamela Churchill Harriman died in 1997, the obituaries that followed were scathing – and often downright sexist. Written off as a social climber, her glamorous social life and infamous erotic adventures overshadowed her true legacy. Much of what she did behind the scenes to shape the 20th century, on both sides of the Atlantic, remained invisible. That is, until now – with a wealth of fresh research, Sonia Purnell unveils for the first time the full, spectacular story of how Harriman left an indelible mark on the world today.

There is practically no-one in 20th-century politics, culture and fashion whose lives she did not touch. Her influence began at age 20, when her father-in-law, Winston Churchill, engaged her as a 'secret weapon' during World War II, winning, dining and seducing Americans over to the British cause against Hitler. It continued later in the US, where she hand-picked Bill Clinton from obscurity and vaulted him to the presidency. It extended further, over five decades and two continents, influencing figures like the Kennedys, Nelson Mandela, Truman Capote, Gianni Agnelli, Kay Graham, Gloria Steinem and Frank Sinatra.

**Meet Me at the Starlight**

Rachel Hauck

1987. Supermodel Harlow Hayes seeks solace in a quaint Florida beach town to heal from a heartbreak that shattered her entire world. To her surprise, she encounters Matt Knight, a Hollywood A-lister with a bad-boy reputation, who has returned to his hometown to help his plucky grandmother, Tuesday, save her century-old skating rink, the Starlight.

The Starlight holds a special place in the hearts of the community, once acting as a refuge for Depression-era families and bringing the town together with gatherings and celebrations. Tuesday's determination even protected her beloved rink from her husband's shady business dealings. Yet when the Starlight is threatened with demolition, Tuesday begins to wonder if an era has come to an end.

As Matt and Harlow strategise to save the rink, they find themselves on a journey of surprises, self-discovery, and the kind of healing that leads to love.

**The Sisters of Corinth**

The Emissaries #2  
Angela Hunt

When the new provincial governor arrives in Corinth, the esteemed Chief Magistrate Narkis Ligus, father to Mariana and Prima, is delighted. He sees a golden opportunity to propel himself to greater power and fortune by uniting his and the governor's households through the marriage of one of his beautiful unwed daughters to the governor's firstborn son.

Yet complications quickly arise in Narkis's own family. Mariana, his stepdaughter, holds steadfast faith in Yeshua, rendering her hesitant to marry a man devoted to the Roman gods, despite Narkis's urging. On the other hand, Prima, his daughter by birth, yearns for a life of wealth and status and is willing to go to great lengths to secure a marriage that fulfils her desires, even if it means betraying Mariana to do so.

**Into the Starlight**

Secrets of Sweetwater Crossing #3  
Amanda Cabot

After more than a year in Europe, Joanna Vaughn returns to Sweetwater Crossing, her dreams of becoming a concert pianist shattered. As if that weren't enough, her husband, whom she married after a whirlwind courtship, has died. The only thing sustaining her on the journey back to Texas was the thought of her childhood home. But to Joanna's dismay, she's changed so much that the place she once loved no longer feels like home.

After his fiancée married his partner and both blamed him for a patient's death, Dr Burke Finley believes it's time for a change. A quick trip with his almost-aunt Della Samuels to Sweetwater Crossing turns into an extended stay to discover what happened to his uncle and her would-be husband. But the beautiful and musical Joanna makes it more than bearable.

As the two join forces to help Della, there is no denying the attraction felt on both sides. But ghosts from the past are coming to call and threatening to destroy any chance at happily-ever-after.
