The Kellerby Code

Jonny Sweet

Edward is living in a world he can't afford and to which he doesn't belong. To camouflage himself, he has catered to his friends' needs – fetching drycleaning, sorting flowers for premieres. It's a noble effort, really – anything to keep his best pals Robert and Stanza happy. In return, his proximity to them might sponge the shame of his birth and violent past cleanly away.

But the chink in his armour is his painfully unrequited love for Stanza. When he realises Stanza and Robert are an item, Edward is pushed too far. His little acts of kindness take a sinister turn, giving way to the unspeakable brutality Edward fears is at his core.

Are there limits to what he will do for his friends? Are there limits to what he will do to them?

Still See You Everywhere

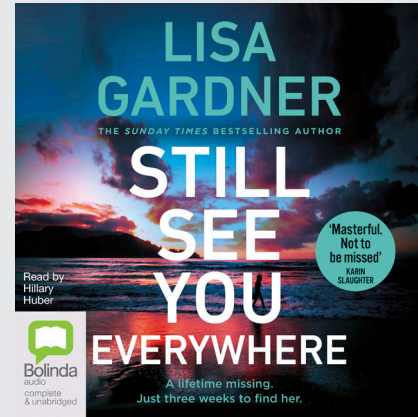

A Frankie Elkin Novel #3
Lisa Gardner

Missing persons specialist Frankie Elkin is on an isolated island off the coast of Hawaii. Her mission: to find Lani, the missing sister of a Death Row serial killer known as the Beautiful Butcher who is awaiting execution in just three weeks' time.

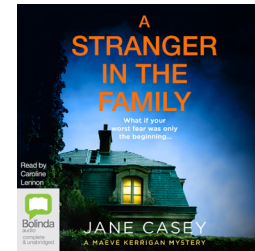

According to the Beautiful Butcher's sources, Lani is being held captive by her millionaire ex-boyfriend on the island. The only way to gain access is for Frankie to go undercover. But can Frankie really trust the word of a serial killer?

And this island is no paradise. With deadly creatures and suspicious co-workers at every turn, and an incoming tropical storm about to cut her off from the outside world, could this be Frankie Elkin's most dangerous case yet?

The Dream Home

T.M. Logan

Adam and Jess move into a new house with their three young children – a rambling Victorian villa right at the very top of their price range. Before long Adam discovers a door hidden behind a fitted wardrobe, concealing a secret room ...

Inside Adam discovers an array of forgotten items, among them a wallet, an antique watch and an old mobile phone. Jess thinks they should simply throw them away. But Adam resists. He is fascinated by these items and how they came to be inside the hidden room.

But like the house, Adam has his secrets too. And soon he will find himself setting in motion a series of events that will place his family in terrible danger ...

The Women

Kristin Hannah

It would be the journey of a lifetime ...

'Women can be heroes, too'. When 20-year-old nursing student, Frances 'Frankie' McGrath, hears these unexpected words, it is a revelation. Raised on California's idyllic Coronado Island and sheltered by her conservative parents, she has always prided herself on doing the right thing, being a good girl. But in 1965 the world is changing, and she suddenly imagines a different path for her life. When her brother ships out to serve in Vietnam, she impulsively joins the Army Nurses Corps and follows his path.

As green and inexperienced as the young men sent to Vietnam to fight, Frankie is overwhelmed by the chaos and destruction of war, as well as the unexpected trauma of coming home to a changed America. Frankie will also discover the true value of female friendship and the heartbreak that love can cause.

Zelda's Cut

Philippa Gregory

For years, Isobel Latimer has composed serious novels for serious people, but to dwindling acclaim and ever-more dwindling gain. Now her husband is ill and she must carry their financial burden alone, and in secret.

But if the public don't want careful moral fables any longer, why not provide an outrageous tale of sex and satanism, and an author to match? The incomparable, uncontrollable Zelda de Vere is born.

What began with the best of intentions snowballs into a disorienting blur of passion, gender-bending, loss of innocence, to betrayal and beyond. Isobel Latimer might feel she's on the brink of losing everything, but what would Zelda do?

...
Somehow

Thoughts on Love
Anne Lamott

Love is our only hope. It is not always the easiest choice, but it is always the right one, the noble path, the way home to safety, no matter how bleak the future looks.

Anne Lamott explores the transformative power that love has in our lives – how it surprises us, forces us to confront uncomfortable truths, reminds us of our humanity and guides us forward.

In each chapter of *Somehow: Thoughts on Love*, Lamott refracts all the colours of the spectrum. She explores the unexpected love for a partner later in life. The bruised (and bruising) love for a child who disappoints, even frightens. Drawing from her own life and experience to delineate the intimate and elemental ways that love buttresses us in the face of despair, as it galvanises us to believe that tomorrow will be better than today. The lessons she underscores are that love enlightens as it educates, comforts as it energises and sustains as it surprises.
