Death at the Sign of the Rook

Jackson Brodie #6
Kate Atkinson

Welcome to Rook Hall. The stage is set. The players are ready. By night's end, a murderer will be revealed.

Ex-detective Jackson Brodie is staving off a bad case of midlife malaise when he is called to a sleepy Yorkshire town, and the seemingly tedious matter of a stolen painting. But one theft leads to another, including the disappearance of a valuable Turner from Burton Makepeace, home to Lady Milton and her family.

Once a magnificent country house, Burton Makepeace has now partially been converted into a hotel, hosting Murder Mystery weekends. As paying guests, a vicar, an ex-army officer, impecunious aristocrats and old friends converge, we are treated to a fiendishly clever mystery – one that pays homage to the masters of the genre, from Agatha Christie to Dorothy Sayers.

Cher

The Memoir Part One
Cher

After more than 70 years of fighting to live her life on her own terms, Cher finally reveals her true story in intimate detail, in a two-part memoir.

Her remarkable career is unique and unparalleled. The only woman to top Billboard charts in seven consecutive decades, she is the winner of an Academy Award, an Emmy, a Grammy and a Cannes Film Festival Award, and an inductee to the Rock and Roll Hall of Fame who has been lauded by the Kennedy Center.

As a dyslexic child who dreamed of becoming famous, Cher was raised in often-chaotic circumstances, surrounded by singers, actors and a mother who inspired her in spite of their difficult relationship.

With her trademark honesty and humour, *Cher: The Memoir Part One* traces how this diamond in the rough succeeded with no plan and little confidence to become the trailblazing superstar the world has been unable to ignore for more than half a century.

It is a life too immense for only one audiobook.
